**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a user of broadband Internet service delivered to my home via DSL over my telephone line. I am concerned that the Commission is considering a new rule that would restrict the access of independent Internet service providers to regulated telephone lines. I sincerely hope that the members of the FCC will reject this proposal, which would limit competition and result in higher prices for consumers like me. Independent service providers -- like the one I, other family members and friends use -- give consumers options and result in better service for all Internet users.

Thank you for considering my plea.

Sincerely,

Edmond Missiaen
